DOCKET NO. 100001-EI
ORDER NO. PSC-10-0093-CFO-EI
ISSUED: February 22, 2010

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR
CONFIDENTIAL CLASSIFICATION OF SHORT TERM CAPACITY PAYMENTS
INFORMATION (DOCUMENT NO. 08717-09)

On August 20, 2009, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power & Light Company (FPL) filed a request for confidential classification of short term capacity payments information provided in Schedule E12 of Appendix II to FPL witness Terry J. Keith's prefiled testimony. This request was filed in Docket No. 090001-EI.

Request for Confidentiality

Section 366.093(1), F.S., provides that "any records received by the Commission which are shown and found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from Section 119.07(1) [the Public Records Act]." Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Paragraphs (d) and (e) of Section 366.093(3) F.S., provide that proprietary confidential business information includes, but is not limited to "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;" and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

FPL contends that certain information contained in Schedule E12 of Appendix II to FPL witness Terry J. Keith's prefiled testimony, specifically page 2 of 2 line 17 all columns, falls within these categories and thus, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. FPL states that this information is intended to be and is treated by FPL as private and has not been publicly disclosed.

FPL contends that the information in question concerns short term capacity payments information, specifically data pertinent to FPL's capacity payments for specific counterparties. FPL alleges that disclosure of this information would impair FPL's ability to contract for capacity on favorable terms; and because it relates to the competitive interests of FPL and suppliers from whom FPL purchases capacity, the disclosure of the information would impair the competitive businesses of FPL and its suppliers.

Ruling

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information constitutes “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Moreover, none of the documentation discussed herein contains any information regarding the compensation of FPL executives. Thus, the information contained in Document No. 08717-09, specifically Schedule E12, page 2 of 2, line 17, all columns, shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Nathan A. Skop, as Prehearing Officer, that Florida Power & Light Company’s Request for Confidential Classification of information contained in Document No. 08717-09, specifically Schedule E12, page 2 of 2, line 17, all columns, is granted. It is further

ORDERED that the information in Document No. 08717-09 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Nathan A. Skop, as Prehearing Officer, this 22nd day of February, 2010.

NATHAN A. SKOP
Commissioner and Prehearing Officer
