NOTICE OF PROPOSED AGENCY ACTION  
ORDER APPROVING EXEMPTION FROM REQUIREMENT THAT EACH  
TELEPHONE STATION SHALL ALLOW INCOMING CALLS

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Under Rule 25-24.515(13), Florida Administrative Code, pay telephones must allow incoming calls to be received unless they are located at a confinement facility, hospital, school, or another location specifically exempted by this Commission. Requests for an exemption from this requirement must be accompanied by an attestation by the owner of the pay telephone, the location provider, and the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone.

Embarq Payphone Services, Inc. (Embarq Payphone) has filed a Request for Exemption from the requirement that each telephone station shall allow incoming calls from each of the pay telephones listed below. Embarq Payphone's request includes an attestation by Embarq Payphone, the location provider, and the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephones.

The provider may request another exemption by filing another request. We are vested with jurisdiction over this matter pursuant to 364.3375, Florida Statutes.
