

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for rate increase by Florida
Power & Light Company.

DOCKET NO. 20250011-EI
ORDER NO. PSC-2025-0129-PCO-EI
ISSUED: April 16, 2025

ORDER GRANTING PETITION TO INTERVENE
BY EVGO SERVICES, LLC

By letter dated January 2, 2025, Florida Power & Light Company (FPL) notified the Florida Public Service Commission (Commission) that it would be filing a petition for base rate increase effective January 2026.¹ On February 28, 2025, FPL filed its petition for base rate increase, minimum filing requirements, and supporting direct testimony. Pursuant to Order No. PSC-2025-0075-PCO-EI, the undersigned Prehearing Officer scheduled the evidentiary hearing on FPL's petition for August 11 through August 22, 2025.

Petition for Intervention

On March 21, 2025, EVgo Services, LLC (EVgo) filed a petition to intervene in this proceeding. EVgo states that it is one of the leading electric vehicle (EV) public direct current fast-charging (DCFC) providers in this country. EVgo represents that some of the EV DCFC stations it owns and operates are in FPL's service territory, and that these stations take service under FPL's General Service Demand rates, including GSD-1EV and GSLD-1EV. EVgo further states that it participates in FPL's existing Electric Vehicle (EV) Charging Infrastructure Rider pilot programs, which the Company proposes in this docket to make permanent. EVgo represents that it may seek to continue to participate in these programs, and will continue to be affected by the conditions and terms.

EVgo consulted the Office of Public Counsel, Florida Industrial Power Users' Group, Federal Executive Agencies, League of United Latin American Citizens Florida, Inc., Environmental Confederation of Southwest Florida, Florida Rising, and Southern Alliance for Clean Energy, and has represented that these intervenors take no position on this petition. FPL took no position pending review of the petition. No responses to the petition have been filed, and the time for doing so has expired.

Standards for Intervention

Pursuant to Rule 28-106.205, F.A.C., persons, other than the original parties to a pending proceeding, who have a substantial interest in the proceeding and who desire to become parties may move for leave to intervene. Motions for leave to intervene must comply with Rule 28-106.204(3), F.A.C., and must include allegations sufficient to demonstrate that the intervenor is entitled to participate in the proceeding as a matter of constitutional or statutory right or pursuant

¹ See Rule 25-6.140, Florida Administrative Code (F.A.C.).

to Commission rule, or that the substantial interests of the intervenor are subject to determination or will be affected through the proceeding. Intervenors take the case as they find it.

A person seeking to intervene on the basis that their substantial interests are subject to determination or will be affected through the proceeding must plead facts sufficient to demonstrate that (1) he will suffer injury in fact that is of sufficient immediacy to entitle him to a Section 120.57, F.S., hearing, and (2) the substantial injury is of a type or nature that the proceeding is designed to protect. *See Agrico Chemical Co. v. Department of Env't Reg.*, 406 So. 2d 478, 482 (Fla. 2d DCA 1981). The first aspect of the test deals with the degree of injury. The second deals with the nature of the injury. The "injury in fact" must be both real and immediate and not speculative or conjectural. *International Jai-Alai Players Assn. v. Florida Pari-Mutuel Comm'n*, 561 So. 2d 1224, 1225-26 (Fla. 3d DCA 1990); *see also Village Park Mobile Home Assn., Inc. v. Department of Bus. Reg.*, 506 So. 2d 426, 434 (Fla. 1st DCA 1987) (speculation on the possible occurrence of injurious events is too remote).

Analysis and Ruling

"In determining whether a party has standing to seek a formal administrative hearing, the allegations contained in the party's petition must be taken as true." *Mid-Chattahoochee River Users v. Department of Env't Prot.*, 948 So. 2d 794, 796 (Fla. 1st DCA 2006). Taken as true, EVgo's allegations are sufficient under *Agrico*. Specifically, EVgo has pleaded that it is an existing ratepayer and current participant in FPL's EV Charging Infrastructure Rider pilot programs. Therefore, EVgo's petition to intervene shall be granted, subject to proof of standing or stipulations that there are sufficient facts to support all elements for standing. *See Delgado v. Agency for Health Care Admin.*, 237 So. 3d 432, 437 (Fla. 1st DCA 2018) (proper pretrial stipulations to the facts supporting all elements of standing are binding upon the parties and the court). As an intervenor, EVgo takes the case as it finds it.

Based on the above representations, it is

ORDERED by Commissioner Mike La Rosa, as Prehearing Officer, that the Motion to Intervene filed by EVgo Services, LLC is hereby granted as set forth in the body of this Order. It is further

ORDERED that EVgo Services, LLC takes the case as it finds it. It is further

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code.
