DOCKET NO. 20260064-EI
ORDER NO. PSC-2026-0308-CFO-EI
ISSUED: September 3, 2026

ORDER GRANTING DUKE ENERGY FLORIDA, LLC'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 04564-2026)

On July 20, 2026, Duke Energy Florida, LLC (DEF) filed a Request for Confidential Classification, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), of information provided in its supplemental response to Florida Rising, Inc.'s First Request for Production of Documents (Nos. 1-7) (Document No. 04564-2026). This request was filed in Docket No. 20260064-EI.

Request for Confidential Classification

DEF contends that the information contained in Document No. 04564-2026 constitutes proprietary and confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. DEF asserts that the information at issue would impair its competitive business interests which could be used by competitors to gain confidential, internal information. More specifically, the information for which confidentiality is sought contains contractual documents for a potential large load customer. For this reason, DEF argues the information is entitled to confidential classification pursuant to Section 366.093(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records that the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information in Document No. 04564-2026 satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. Document No. 04564-2026 contains information relates to a contractual documents regarding a potential large load customer which constitutes information related to its competitive interests which could impair its competitive business. Thus, the information identified in Document No. 04564-2026 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless DEF or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Gary F. Clark, as Prehearing Officer, that Duke Energy Florida, LLC's Request for Confidential Classification of Document No. 04564-2026 is granted. It is further

ORDERED that the information in Document No. 04564-2026, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Duke Energy Florida, LLC or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Gary F. Clark, as Prehearing Officer, this 3rd day of September, 2026.
