RE: ~~Docket No. 880016-W8~~ Application of Sailfish point

Dear Mr. Girtman:

After reviewing your letter of January 10, 1991, we find that you are correct. Sailfish Point Utility is qualified to file minimum filing requirements for a "Class C" utility. We have reviewed the filing again and found that the utility has met the minimum filing requirements for a "Class C" utility. Therefore the official date of filing is December 28, 1991.

We apologize for any inconvenience that this oversight may have caused you or the company.

Sincerely,

Charles H. Hill
Director
