BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Complaint of Sandy Creek)
Airpark, Inc., against Sandy Creek) Docket No. 910111-WS
Utilities, Inc.)
_____)

MOTION TO EXPEDITE

Comes now, Sandy Creek Airpark, Inc., by and through its undersigned attorney, and files this Motion to Expedite in the above-referenced matter, and in support thereof states:

1. On February 5, 1991, Sandy Creek Airpark, Inc., (hereinafter the "Airpark") filed a Complaint and Petition with this Commission requesting certain relief related to water and sewer utility service from Sandy Creek Utilities, Inc. (hereinafter the "Utility").

2. The Airpark has been attempting to obtain water and sewer utility service from the Utility for over two and one-half years. These delays have resulted in substantial loss of sales at the Airpark.

3. The Airpark has been extraordinarily patient and cooperative in its negotiations for such service, and the actions of the Utility have been such as to imply an attempt to delay providing such service indefinitely.

4. Continued delays in the processing of this case will further damage the Airpark in lost sales and interest costs during the duration of those continued delays. The Airpark will be irreparably harmed by further delays beyond those absolutely necessary to resolved this Complaint.
