RE: DOCKET NO. 900913-TL - Petition by 597 prefix subscribers for extended area service from Indiantown exchange to Stuart exchange.

Issue 1: Recommendation that the calling volumes on the Indiantown/Stuart route are sufficient to warrant a survey for non-optional, flat rate, two-way toll free calling. The Commission should order a survey of customers in the Indiantown exchange at the rates shown in Issue No. 2, for the 25/25 plan with regrouping which is a non-optional, flat rate, two-way EAS plan. The survey should begin within 30 days of the final order in this docket. Indiantown Telephone System, Inc. should obtain staff's prior approval of the survey letter.

APPROVED

Issue 2: Recommendation that non-optional, flat rate, two-way, toll free calling should be implemented under the 25/25 plan with regrouping at the following monthly rates:

R-1 \$9.00 B-1 \$21.13 PBX \$42.25

Docket No. 900913-TL

April 30, 1991

Issue 3: Recommendation that the Commission waive Rule 25-4.061, F.A.C., Determination of Cost requirement, on this EAS request and not require Indiantown Telephone System and Southern Bell to conduct cost studies on these routes.

APPROVED

Issue 4: Recommendation that the toll alternative plan should not permit full recovery of costs and lost revenues, including incremental costs. The Commission should waive Rule 25-4.062(4), F.A.C., which provides for full recovery of costs from the subscribers in the petitioning exchange.

APPROVED

Issue 5: Recommendation that if the Commission approves the recommendation in Issue No. 1, the Commission should waive the 51% favorable vote requirement of Rule 25-4.063(5)(a), F.A.C. and order that a simple majority of subscribers in the Indiantown exchange, voting favorably, should be considered sufficient for passage of the respective surveys in this docket.

APPROVED

Issue 6: Recommendation that this docket remain open until the Indiantown subscribers have been surveyed on the 25/25 plan and the plan, if approved, has been implemented.
