Re: 910163-TL

Dear Suzanne:

On June 24, 1991 Southern Bell filed a motion for confidential treatment and permanent protective order. Our office filed a response opposing Southern Bell's motion ten days ago, and the matter has been ripe for a decision since then.

I would like to request the prehearing officer to rule on the motion and our response as soon as practicable. Until the prehearing officer rules, the documents that are the subject of the motion remain confidential without any review of the validity of Southern Bell's request.

Thank you.

Sincerely,

Charles J. Beck
