BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

Shared tenant service (STS) providers must comply with the provisions of Section 364.339, Florida Statutes, and Rules 25-24.550-.585, Florida Administrative Code. This Commission has received the following applications for transfer of STS certificates:

No. 2221 to provide service at 20 North Orange Avenue, 14th Floor, Orlando, FL, from HQ OF ORLANDO to ANRON, INC. d/b/a HQ ORLANDO.

The authority under each certificate is limited to the provision of STS to the commercial tenants at the respective building set forth above.

The applications contained the required information and, having considered them, each transferee appears to be capable of providing STS. Therefore, we find that it is in the public interest to approve transfer of the certificates.

The Company also requested the cancellation of Certificate No. 2220, located at 2875 N.E. 191st St., 8th Floor, Miami, FL.

The certificate was for the provision of shared tenant service (STS) on a key system with six (6) lines or less. The Company certifies that it is no longer shares its telephone system. After review of the request, we have determined that the Company no longer shares its telephone system. Therefore, we grant the application for the cancellation of Certificate of Public Convenience and Necessity No. 2220.

The dockets listed in this Order will be closed following expiration of the period specified in this Order unless an appropriate petition for hearing, protesting a specific docket, is filed by one whose substantial interests may or will be affected by this proposed agency action, as provided by Florida Administrative Code Rules 25-22.029 and 25-22.036(7)(a). A petition protesting the action proposed here with regard to a specific docket filed by one whose substantial interests are affected will not prevent our proposed action from becoming final as to any other docket listed in this Order.

It is, therefore,

ORDERED by the Florida Public Service Commission that the transfer of Certificates Nos. 2219 and 2221 to provide STS to commercial tenants at the respective locations, and by the respective companies, set forth in the body of this Order is approved. It is further
