SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY'S  
NOTICE OF INTENT TO REQUEST SPECIFIED CONFIDENTIAL CLASSIFICATION

COMES NOW, BellSouth Telecommunications, Inc., d/b/a Southern Bell Telephone and Telegraph Company ("Southern Bell" or "Company"), and, pursuant to Rule 25-22.006(3)(a), Florida Administrative Code, files its Notice of Intent to Request Specified Confidential Classification.

1. The Staff of the Florida Public Service Commission ("Staff") has issued several Audit Requests in the above-captioned docket, requesting, among other things that Southern Bell make available for viewing the following information:

Item No. 1-025, dated February 8, 1993 - "1992 BellCore Gross Departmental Plan for 1991 and 1992 - See Staff's 2nd POD, Item 56 in Docket 920260."

Item No. 1-0126, dated February 8, 1993 - "... complete copy of the most recent BellCore Business Plan - See Staff's 2nd POD, Item 58 in Docket 920260."

2. Some of the information contained in the responsive documents to be reviewed by the Staff is clearly proprietary. For example, some of the documents and data contain financial, strategic and other proprietary information relating to a

non-BellSouth companies. This information is proprietary to such companies, and Southern Bell is not at liberty to publicly disclose the financial and strategic business information contained in these documents. This information is entitled to proprietary and confidential treatment because Southern Bell has received this information pursuant to a private agreement which provides that Southern Bell not publicly disclose such information. Section 364.183(3), Florida Statutes, provides that information subject to private non-disclosure agreements provisions is proprietary confidential business information. Additionally, some of the information in these documents relates to competitive interests the disclosure of which would impair the competitive business interests of not only Southern Bell, but also the non-BellSouth companies. Section 364.183(3)(e), Florida Statutes, provides that such information is proprietary confidential business information.

3. Consequently, because these documents contain proprietary information, Southern Bell is filing this Notice of Intent to Request Specified Confidential Classification, pursuant to Rule 25-22.006(3)(a), Florida Administrative Code, in order to allow the Audit Staff to take possession of the documents without delay<sup>1</sup>. The original of this notice and copies of the staff

---

<sup>1</sup> As referenced in the Audit Requests, these same documents have been previously requested by the Staff and produced by Southern Bell in the context of Docket No. 920260-TL, and the Company has a Request for Confidential Classification relating to these documents pending before the Commission. However, this Notice is being filed to ensure that proper protection be similarly afforded these documents in the context of this audit.

requests have been filed with the Division of Records and Reporting, and a copy has been served on the Division requesting the information.

Respectfully submitted this 16th day of February, 1993.
