Re:

Docket Number 930412-WS

Application for Amendment of Certificates 373-W

and 322-S. Marion County, Florida

Dear Mr. Tribble:

Pursuant to the requests in the letter dated May 13, 1993, from Commission Staff member James McRoy, enclosed are sheets showing the capacity of the existing lines and the capacity of the existing treatment facilities for the systems included in the referenced docket. Please note that there are no proposed extensions in any of the systems.

Although the utility has not received a written request for system maps, Mr. McRoy stated in a telephone conference that he will be requesting these items. They are also enclosed.

Fifteen copies of this letter with attachments (except maps) are enclosed for filing in this docket. Should you need any additional information, please contact me or call Karla Olson Teasley, Vice President - General Counsel and Secretary. Thank you for your cooperation.

Very truly yours,

Lisa Freeman Schutz Legal Administrator
