Commissioner Susan Clark
Florida Public Service Commission

Tallahassee, Florida 32399-0850

Dear Chairman Clark:

In a letter addressed to you dated March 15, 1995, Southern Bell furnished its 1994 surveillance report and identified a specific amount of 1994 earnings that would be available for sharing with our ratepayers as a result of Order No. PSC-94-0172-FOF-TL, entered in Docket No. 920260-TL, Comprehensive Review of Revenue Requirements and Rate Stabilization Plan of Southern Bell Telephone and Telegraph Company.

In that letter we proposed a method for returning the funds that were to be shared with our ratepayers. With minor modifications, the methodology was the same as was used for earlier refunds in the proceeding.

ACK _____ It appears that, due to an oversight, we failed to serve the
AFA _____ other parties in this docket with the letter we sent to you.
APP _____ Therefore, in order to give the other parties enough time to
CAF _____ review our proposal, we request that this matter be deferred from
CMU _____ the April 3, 1995 agenda, and continued until the next agenda,
CTR _____ which should be held on April 18, 1995. We are sending by
EAG _____ facsimile, a copy of the March 15 letter to the parties with a
copy of this letter, and will make the surveillance report
available to any party that desires a copy.

DEF _____ Deferring the matter for two weeks should not have an adverse
L _____ impact on the timeliness of the refunds, assuming that the
S _____ Commission ultimately chooses to adopt the proposal offered by
I _____ Southern Bell. If our proposal is adopted and an order promptly
published, there should be minimal, if any, delays in the refunds
beyond the time proposed in our letter of March 15, 1995.

Thank you for your assistance in this matter.

SDH _____ Sincerely,
A. M. Lombardo
Vice-President -
Regulatory Relations
