Docket No. 921074-TP

February 6, 1996

Issue 3: Recommendation that Centel's tariffs (T-94-197 and T-94-409), implementing expanded interconnection service and zone density pricing for private line and special access, should be approved. The tariffs, if approved, should become effective February 6, 1996.

**APPROVED**

Issue 4: Recommendation that United's tariffs (T-94-196 and T-94-410), implementing expanded interconnection service and zone density pricing for private line and special access, should be approved. The tariffs, if approved, should become effective February 6, 1996.

**APPROVED**

Issue 5: Recommendation that this docket remain open. With the adoption of staff's recommendations in Issues Nos. 1-4, these tariffs should become effective on February 6, 1996. If a protest is filed within 21 days from the issuance date of the order, the tariffs should remain in effect pending resolution of the protest. A protest of one tariff should not keep the other tariffs from becoming final. If no timely protest is filed, these tariffs should become final. This docket should remain open pending rulings on motions for confidential classification of certain documents.
