COUNTY SUBJECT TO THE PROVISIONS OF CHAPTER 367, FLORIDA  
STATUTES - REQUEST FOR EXEMPTION FOR PROVISION OF WATER  
SERVICE BY SARAH SIMPSON.**

---

On October 10, 1995, the Board of County Commissioners of Manatee County adopted Resolution No. R-95-109, pursuant to Section 367.171, Florida Statutes, declaring that as of October 10, 1995, the water and wastewater utilities in that County shall become subject to the provision of the Water and Wastewater Regulatory Law, Chapter 367, Florida Statutes. The resolution was acknowledged by this Commission on November 9, 1995, by Order No. PSC-95-1393-FOF-WS. Pursuant to Section 367.131, Florida Statutes, a utility subject to the jurisdiction of this Commission must obtain a certificate of authorization or an order recognizing the exempt status of the system.

On December 4, 1995, Sarah Simpson (Ms. Simpson or utility) applied for a non-jurisdictional exemption from the Florida Public Service Commission regulation pursuant to Section 367.021(12), Florida Statutes. Ms. Sarah Simpson was identified as the primary contact person per the application. Ms. Simpson's address is 4107 97th Avenue East, Parrish, Florida 34219. The application was signed by Ms. Simpson.

Ms. Simpson stated in its application that water service will be provided to itself solely, without compensation, and that all costs for providing such service will be treated or recovered as operational expenses. Water service, as previously mentioned, will be provided by a well, and wastewater service by a septic tank. The physical and mailing address of the system is 4107 97th Avenue East, Parrish, Florida 34219.

The applicant, operating as a corporation, has filed in accordance with Section 367.021(12), Florida Statutes, and Rule 25-30.060(j), Florida Administrative Code, and has acknowledged Section 837.06, Florida Statutes, regarding false statements. Therefore, it is the recommendation of staff that Sarah Simpson be granted a certificate of exemption pursuant to Section 367.021(12), Florida Statutes.

Section 2.08(c)(14) of the Administrative Procedures Manual grants staff the administrative authority to approve requests for determination of exempt status that are clear-cut and without controversy. Therefore, staff recommends that an administrative order

be issued as soon as possible finding Sarah Simpson exempt from Commission regulation pursuant to Section 367.021(12), Florida Statutes. Staff also recommends that the order require Sarah Simpson to notify the Commission within 30 days of any change in circumstances or method of operation of its water system so that its exempt status may be reevaluated. Furthermore, staff recommends that this docket remain open.
