RE: DOCKET NO. 960191-TL - Petition for declaratory statement or, alternatively, for waiver of penalty imposed for late payment of regulatory assessment fees by BellSouth Telecommunications, Inc.

Issue 1: Recommendation that the Commission grant BellSouth's petition for declaratory statement, but should decline to make the declaration requested by BellSouth. Instead, the Commission should declare that, under the facts and circumstances of this case, BellSouth filed its regulatory assessment fee late and must pay the resulting penalty and interest mandated by statute and the Commission's rule.

*Moot*

Issue 2: Recommendation that the Commission should not waive the penalty assessed against BellSouth for paying its regulatory assessment fee one day late. If the Commission approves Issue No. 1, this issue is rendered moot.

**DENIED** - *Penalty waived.*
