> Inc. for Amendment of Water and Wastewater Certificates.

Dear Ms. Wadin:

Thank you for your letter dated February 19, 1996. We asked Spruce Creek South Utilities, Inc., to provide the Commission with a letter clarifying the notice you received regarding the utility's proposed expansion of territory. Enclosed is the response. I hope that the clarification resolves your concern.

Once you have reviewed the utility's response, the Commission will need to know whether or not you intend to protest the proposed expansion of territory. Would you please provide a written response by May 1, 1996 to:

The Director, Division of Records and Reporting
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, Florida 32399-0850

If you choose to protest the expansion, a hearing will be scheduled in which you must provide testimony or other evidence supporting your protest. Although the Commission allows individuals to represent themselves at hearing, it may be to your benefit to hire an attorney to represent you. Alternatively, the Office of Public Counsel (OPC) may agree to
