RE: Docket No. 960526-WS, Request for excluption from Florida Public Service Commission regulation for provision of water service in Seminole County by Sailpointe Apartments.

On April 24, 1996, an application for exemption from Florida Public Service Commission regulation was filed on behalf of Sailpointe Apartments pursuant to Section 367.022(8), Florida Statutes. The application was filed by Mr. John S. Ranney as the authorized agent for the owner of the apartment complex, Pacific Mutual Life Insurance Company (Pacific Mutual). On August 12, 1996, the Commission received the attached notification from Pacific Mutual that they are not going forward with reselling water at this time and are, therefore, requesting that their application be withdrawn.

Section 2.07(C)(6)(d) of the Administrative Procedures Manual grants the Division of Records and Reporting, upon joint recommendation of the OPR division and the Division of Legal Services, the authority to administratively close dockets in which the applicant seeks to withdraw its initial pleading. Staff has determined that there are no pending issues that need to be addressed by the Commission regarding this filing, there was no filing fee involved, and no agency action has been taken. Staff recommends that the docket be closed
