AT&T 'S OBJECTIONS TO BELLSOUTH'S FINAL STATEMENT OF GENERALLY AVAILABLE TERMS AND CONDITIONS

AT&T Communications of the Southern States, Inc. (hereinafter "AT&T"), hereby files its objections to BellSouth Telecommunications, Inc.'s Final Statement of Generally Available Terms and Conditions ("SGAT") filed with the Commission on September 11, 1997. BellSouth's Final Statement of Generally Available Terms and Conditions was also filed with the Commission as Late-Filed Exhibit 125 on the same date.

In BellSouth's Filing of Final Statement, it states in paragraph 4 that "[t]he Final

several pages, language contained in the Revised SGAT is deleted from the Final SGAT. For example, on page 4 in paragraph 7, language inserted into the August 25th draft is omitted from the Final SGAT filed September 11. Also in numerous instances, language found in the Final SGAT is inconsistent with the language used in the Revised SGAT.

AT&T also objects to the Final SGAT because AT&T was not provided a copy of the attachments referenced throughout the Final SGAT which makes it incomplete in addition to being different than what was represented by BellSouth counsel and witnesses.

Accordingly, AT&T objects to the admission of Late-Filed Exhibit 125 and to any further consideration of the "FINAL" SGAT on the grounds that AT&T has had an inadequate opportunity to address the "FINAL" SGAT and the reasons for the changes from the draft, as well as the omission from the filing of the referenced documents that would complete the filing.

Respectfully submitted,
