RE: RAINBOW SPRINGS, NOTICE OF APPLICATION FOR EXTENSION
SERVICE AREA

Dear Sir or Madam:

We are writing to you in response to the letter we received back in December. We are opposed to the Rainbow Springs utilities installing water and sewer lines. We have lived in this area for the past 15 years and had the expense of the well and septic tank when we built our home. We feel it is unnecessary to have any additional expenses. The homeowners who purchased properties knew and understood what was and what wasn't available to them. We do not wish to have any additional expenses occur monthly to us. We appreciate your time and understanding in this matter and we feel sure that you will make the correct decision.

Thank you for your time and understanding our opposition.
