## NOTICE OF APPLICATION FOR EXTENSION OF SERVICE AREA

Pursuant to the provisions of Section 367.065, Florida Statutes, and the Administrative Code of the Public Service Commission Rule 28.30-010, Notice is hereby given by Rainbow Springs Utilities, Inc., 2901 SW 200th Circle, Dunedin, Florida 34432-5357, of its Application to extend its physical distribution of water and sewer service to the following described lands in Marion County, Florida:

AND

That portion of said Section 17 lying South and West of County Road No. 500,

AND

All of said Sections 14, 15, and 22,

AND

In said Section 23 - the North 1/2, the West 3/8 of the Southwest 1/4, and that portion of the Northeast 1/4 of the Southeast 1/4 lying North and East of the right-of-way for Atlantic Coast Line Railroad,

AND

AND

In said Section 6: that portion of the East 1/2 lying South and East of the right-of-way for State Road 30;

In said Section 19: the Southwest 1/4 of the Northwest 1/4 and that portion of the Southeast 1/4 of the Northwest 1/4 lying North and West of the right-of-way for Atlantic Coast Line Railroad.

Portions of the above area have previously been approved for Utility - Electric Service Applications, as necessitated as a result of a recent discovery that the service territory established for distribution by the Public Service Commission approximately 16 years ago failed to include the great majority of Rainbow Springs development. The purpose of this Application is simply to correct that oversight and to include only those areas within the existing or proposed development within the Utility's designated service territory. There should be no impact on the community whatsoever from this Application and it simply to correct an oversight from many years ago in describing the Utility's service territory. In fact, through service to a greater number of customers, the Utility hopes to keep its records section current in the long run.

Written objections of the above noted extension shall be filed with the Director of the Division of Records and Reporting, Florida Public Services Commission, 200 Orange Grove Highway, Tallahassee, Florida 32399-0870, and a copy provided to F. Marshall Gooding, ROYAL SMITHROOM & HENLEY, LLP, 2548 Blairstone Pines Drive, Tallahassee, Florida 32304, no later than 30 days after the last date this notice was mailed or published whichever is later.
