Re: Docket _____ Approval of Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and Sprint Spectrum L. P. pursuant to Sections 251, 252 and 271 of the Telecommunications Act of 1996

Dear Mrs. Bayo:

Pursuant to section 252(e) of the Telecommunications Act of 1996, BellSouth and Sprint Spectrum are submitting to the Florida Public Service Commission an amendment to their negotiated agreement for the interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to Sprint Spectrum. The original agreement was filed on April 18, 1997 in Docket 970477-TP.

Pursuant to section 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated agreement between BellSouth and Sprint Spectrum within 90 days of its submission. The Act provides that the Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity. Both parties aver that neither of these reasons exist as to the agreement they have negotiated and therefore, are very hopeful that the Commission shall approve their agreement.

Very truly yours,

A. M. Lombardo (SA)
Regulatory Vice President

FIRST AMENDMENT

TO

**INTERCONNECTION AGREEMENT BETWEEN
SPRINT SPECTRUM L. P. ("Sprint Spectrum") AND BELLSOUTH
TELECOMMUNICATIONS, INC. ("BellSouth")**

WHEREAS, pursuant to sections 251 and 252 of the Telecommunications Act of 1996, Sprint Spectrum and BellSouth entered into an interconnection agreement (the "Agreement") for the rates, terms, and conditions of the exchange of traffic between the parties to be effective April 1, 1997;

WHEREAS, the Agreement was approved by the Alabama Public Service Commission on August 11, 1997; by the Florida Public Service Commission on July 15, 1997; by the Kentucky Public Service Commission on May 16, 1997; by the Louisiana Public Service Commission on August 27, 1997; by the Mississippi Public Service Commission on June 4, 1997; and submitted for approval to the Tennessee Regulatory Authority;

WHEREAS, the Agreement provided for an initial LATA-wide Additive that was included in Type 1 and Type 2A rates, subject to further negotiation by the parties; and

WHEREAS, Sprint Spectrum and BellSouth have negotiated a final LATA-wide Additive as set forth herein.

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Sprint Spectrum and BellSouth hereby covenant and agree as follows:

1. Section V of the Agreement is hereby revised to read as follows:

V. Modification of Rates

The LATA-wide Additive reflected in Attachment B-1 for Type 1 and Type 2A rates is intended to compensate BellSouth for additional transport and other costs associated with transporting and terminating Local Traffic throughout a LATA instead of only within local calling areas as defined by the Commission as of the Effective Date. From the Effective Date until the expiration or termination of the Agreement, the LATA-wide Additive shall be the rate per minute in each state as set forth in Attachment B-1 (Amended). The parties shall make the adjustment, or "true-up" described in the original Section V of the Agreement for the purpose of applying the final LATA-wide Additive back to the Effective Date of the Agreement.

2. Attachment B-1 of the Agreement is hereby revised and replaced with Attachment B-1 (Amended) appended hereto and made a part hereof.

3. The parties agree that except as specifically modified by this Amendment all other provisions of the Agreement shall remain in full force and effect.

4. The parties further agree that either or both of the parties is authorized to submit this Amendment to the Commission or other regulatory body having jurisdiction over the subject matter of this Amendment for approval subject to Section 252(e) of the Telecommunications Act of 1996.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.
