In re: Application for
certificates to provide water
and wastewater service in Clay
County by Point Water and Sewer,
Inc.

DOCKET NO. 961321-WS
ORDER NO. PSC-98-0296-PCO-WS
ISSUED: February 17, 1998

FOURTH ORDER EXTENDING TIME FOR FILING DEPOSITION TESTIMONY

On November 4, 1996, Point Water and Sewer, Inc. (PWS or utility), filed an application for certificates to provide water and wastewater service in Clay County. On November 19, 1996, the Point Property Owners Association, Inc. (PPOA), objected to PWS's application. Accordingly, the matter was scheduled for a customer service hearing on July 31, 1997, and a hearing on August 1, 1997. A prehearing conference was held on July 8, 1997, during which a ruling was made permitting PWS to file, within ten days, the deposition testimony of two adverse witnesses, Ms. Lori Easterling and Mr. Frank Kasper.

By Order No. PSC-97-0888-PCO-WS, issued July 28, 1997, the parties' Joint Emergency Motion for Continuance of the hearing was granted. Also granted by that Order was the parties' request for an extension of time for PWS to file the testimony of the above-named adverse witnesses by August 15, 1997. Any intervenor and/or staff witness testimony in response thereto was ordered to be filed by August 29, 1997.

In order to give the parties more time in which to focus on their ongoing settlement negotiations, by Orders Nos. PSC-97-0954-PCO-WS, issued August 11, 1997, PSC-97-1090-PCO-WS, issued September 19, 1997, and PSC-97-1612-PCO-WS, issued December 23, 1997, joint motions of the parties were granted, extending the time for the utility to file the above-referenced deposition testimony and consequently, for the filing of intervenor and/or staff testimony in response thereto. By Order No. PSC-97-1612-PCO-WS, those deadlines are currently set at February 15, 1998, for the filing of the adverse witness testimony, and March 1, 1998, for any intervenor and/or staff witness testimony in response thereto.

On February 3, 1998, the parties filed another Joint Motion for Continuance of the deadlines for filing the above-described testimony. Again the parties state that their ongoing settlement

negotiations will not be completed prior to the current filing deadlines and that taking the depositions prior to the time that formal negotiations are attempted would not be cost effective or conducive to facilitating a settlement. The parties further state that they are presently awaiting settlement documents from, and an inspection of the pipes by, the Clay County Utility Authority. They request that the deadline for PWS to file the deposition testimony of Ms. Easterling and Mr. Kasper be extended through and including April 1, 1998, and that the date for filing intervenor and/or staff testimony in response thereto be extended through and including April 15, 1998.

Having been advised of the progress being made towards settlement of this matter, I find it appropriate to grant the motion. Therefore, PWS shall file any adverse deposition testimony of Ms. Lori Easterling and/or Mr. Frank Kasper by April 1, 1998. Any intervenor or staff testimony in response thereto shall be filed by April 15, 1998. Further, the parties shall notify this Commission of any settlement agreement reached among them within ten days of the date of such agreement. The parties shall also notify this Commission of the status of the pending settlement negotiations by April 15, 1998, if no agreement is reached by that date.

Based on the foregoing, it is

ORDERED by Commissioner Joe Garcia, as Prehearing Officer, that the Joint Motion for Continuance of Point Water and Sewer, Inc., and the Point Property Owners Association, Inc., is hereby granted. It is further

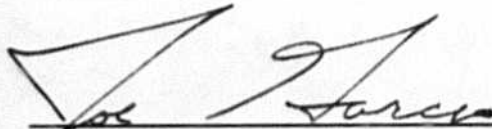

ORDERED that the adverse witness testimony of Ms. Lori Easterling and Mr. Frank Kasper shall be filed by April 1, 1998, and any intervenor and/or staff testimony shall be filed in response thereto by April 15, 1998. It is further

ORDERED that Point Water and Sewer, Inc., and the Point Property Owners Association, Inc., shall notify the Commission of any settlement agreement reached among them within ten days of the date of such agreement. It is further
