Tom,

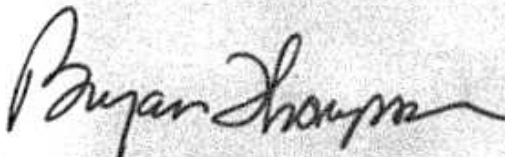

Several weeks ago I spoke with you regarding our registration for a fictitious name for MET Communications. During our phone conversation, you indicated that we would need to provide you with labels to affix over the existing documents in your office. I subsequently tried to contact your office to ascertain the exact format of those labels. I was not able to get an answer on that subject. According to one person in your office, these labels were to be used to place over the pricing information. She indicated that your office did not have our price list. I know that Richard Mondor of our office originally sent those in September to Jonathon Audu.

I have included the following in hope that I am complying with your requirements.

1. Several formats of labels indicating that the Fone Company is the new name under which we will be operating.
2. A copy of the fictitious name registration from the Division of Corporations.
3. A copy of the price list that we sent to your office back in September.

Thank you, in advance for your cooperation and understanding in this matter. If I can be of further help or you require more information or documentation, please don't hesitate to contact me.

Respectfully,

Bryan Thompson
