Re: PSC Order No. PSC-98-0444-SC-WS, Docket #98287-WS

Gentlemen:

As I understand it, we are supposed to have an answer into you on or before April 20, 1998, reference the above. I would like to request an extension of time until May 6, 1998, as I just found out from Mr. Jaeger yesterday how the figures were arrived at and have now begun checking them. We understand that the Show Cause Order which was issued March 30, 1998, pretty well tracked Mr. Vaccaro's request but we still do not have a copy of the Show Cause Order. I would appreciate ~~it~~ if you would send us one for our records. We would propose that we have this time in order to check the figures, etc., and will forward our answer to you upon completion or at least no later than May 6, 1998.

We hope this meets with your approval.

Yours very truly,

TURKEY CREEK UTILITIES

Hi Kay

Ray Flynn, 111 St. Ralph Hepler,
"Mike Lake"

As to my letter for Mr. Newell Hope at
this facility on Friday. He asked in the
letter for an extension of time until
10/15/98 in regard to Show Cause Order
#88-00145. He also stated he has not yet
received the order, which was issued 3/30.

I tried to call Mr. Hope Friday afternoon,
but he had left for the day. I just talked
with Helen at Turkey Creek. I told her the
order had been sent certified mail on
3/30. She said they do not receive
certified mail "out there"; it is all put
in a box. I suggested she check with the
P.O. about it, since the P.O. should have
put a notice concerning the certified mail
in their box. I asked if I could fax a
copy of the order to them, but she
indicated their fax machine is in the
shop. She asked if I could put a copy of
the order in the mail to them, and I told
her I would do that today.

I will send a copy of Mr. Hope's letter to
each of you. Kay
