Dear Commissioners:

I am a landowner in Marion County, Florida. Recently I was informed that Florida Water Services Inc. (WS) has submitted an application to amend its Marion Oaks water and wastewater service area that includes my land.

I have not been contacted by representatives of FWS nor I have I requested service from the utility and yet they are attempting to certificate my land. Furthermore, the Marion Oaks system has much higher user rates than other utilities in the County.

FPSC-RECORDS/REPORTING

- ACK My reasons for not wanting to be included in this proposed certification include:
- AFA 1. I choose to live here not in Marion Oaks.
- APP 2. I prefer my well water to water held in storage
- CAF 3. My Bibb and belife is not to spin hands with so
idea gov + agents have
- CMU 4. you are taking away our desire to be free within our
own home
- CTR For these reasons I object to the proposed certification amendment to increase the
- EAG Marion Oaks water and wastewater service area.
