Re: Approval of an amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and Primeco Personal Communications, L. P. pursuant to Sections 251, 252 and 271 of the Telecommunications Act of 1996

Dear Ms. Bayo:

Pursuant to section 252(e) of the Telecommunications Act of 1996, BellSouth and Primeco Personal Communications, L. P. a Commercial Mobile Radio Service provider, are submitting to the Florida Public Service Commission their second amendment to the negotiated agreement for the interconnection of their networks and the unbundling of specific network elements offered by BellSouth. The amendment was negotiated pursuant to sections 251, 252 and 271 of the Act.

Pursuant to section 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated amendment between BellSouth and Primeco Personal Communications, L. P. within 90 days of its submission. The Commission may only reject such an amendment if it finds that the amendment or any portion of the amendment discriminates against a telecommunications carrier not a party to the amendment or the implementation of the amendment or any portion of the amendment is not consistent with the public interest, convenience and necessity. Both parties represent that neither of these reasons exist as to the amendment they have negotiated and that the Commission should approve their amendment.

Yours very truly,

Regulatory Vice President (28)
