--NOTE-----5/11/98--8:14am--
This is the title we did together to add
name change and dba according to their
letter of request.
Just got Sect. of State documentation. The
dba has ",inc." after the word Group. The
dba is:
Universal Telecommunications Group, Inc.

MCD will need to be changed too.
Many thanks.
(Do wish these companies would remember
what their real names are!!)

.....
So do I. It would certainly slow down my
gray hair development! We'll fix CMS and
MCD.
