RE: Request for ALEC status consideration

Dear Commissioners:

Hayes Telecommunication Services respectfully requests that the Commission consider granting ALEC status to our company. We are currently an AAV with a certificate number of 4032, approved on June 21, 1995. It is my understanding that the Commission waves the new ALEC application process for companies that are currently an AAV, if that status was granted prior to July 1, 1995. At this time, we do not intend to offer basic services, 911, or emergency services. If there are any questions or concerns, please contact Bradford Hood at 850-297-0551 ext. 114.

Thank you.

Sincerely,

Danny Hayes
President
