RE: Flow-Through of 1998 LEC Switched Access Reductions by IXCS

Dear Ms. Bayo:

Pursuant to Order No. PSC-98-0795-FOF-TP in Docket No. 980459-TP, St. Joe Communications, Inc. d/b/a GT Com Long Distance submits this letter as certification that our access expense reduction is less than \$100.00 per month.

As the attached worksheet demonstrates Sprint is the only LEC from which GT Com Long Distance will receive a reduction in access expense, and due to the small number of minutes of use in their area, that reduction will be less than \$100.00 per month.

If you should have any questions or require any additional information please contact me at 850-227-7272.

Sincerely,

Bill Thomas
Director Products & Services
