TYPE-ERASE

I am a single woman (age 64) working hard evry day to pay my bills. I can not afford a Computer or to make long distance calls.

As it is, I've been getting new charges added to my acct with AT&T:

Carrier Line Chg - \$.85

Universal Connective chg - .93

Bell South has an extra chg for Interstate toll access of \$3.50

Telecommunications access

System Act surcharge .12

I can't stand any more "charges", because soon I won't be able to afford a telephone and surely, I'm not the only one with this problem.

Sincerely,

Marilyn Miller
