Dear Sir or Madam,

I object so very strongly to the house bill 4785, as I am 77 years old I have to support myself on S.S. I need a phone for emergency otherwise I would discontinue the service.

Have more consideration for the elderly & others that live on very limited income & yet need a phone service, I don't have a car & can't attend meetings. I started out paying for a party line, now it is \$10.65. The Taylor & various other charges come to \$9.99 just as much as the original phone service.

Sincerely
