To: P.S.C.

I will not be able to attend the 8-9-98 meeting in Ft Myers and am writing to voice my objection to any increase in our telecommunication rates.

Those of us who are on a fixed income are the ones most affected by these increases. Even though the inflation rate is "supposedly" under control, it in practice is not and all we have to look forward to to keep up with all the increases in services, materials, recreation, etc is an annual 1 1/2% to 2% increase in cost of living allowances.

So, please show me as being adamantly opposed to any increase.

Sincerely
Frank Lawrence
