I am unable to attend the public hearing but I want you to know that I am almost 71 years old and a Florida resident since 1957 and a registered voter and I am on a very small FIXED income from S.S. and an IRA I saved for years for so I could quit working and try to live my life out (Country) so to speak, well if the representatives of this state keep approving these ~~small~~ fees (that this month added up to \$2.47 on my telephone bill, this won't happen. It ruins my budget and I don't have any extra coming in. Just letting you know I'm against it.
