Thank you for giving me the chance to give my opinion on the Florida residential basic local telecommunication rate.

I really think that it is just too expensive. All I have is the basic service and long distance. I don't have a caller id, nor do I have more than 1 line, and the cost not including my long distance, or taxes was \$26.72 sometimes it varies and is usually less more. I really find the amount outrageous.

Sincerely,
Mrs. R. Blake.
