Re: Docket No. 980767-WS, Joint application for transfer of facilities of Gulf Utility Company to Gulf Environmental Services, Inc. in Lee County and cancellation of Certificates Nos. 072-W and 064-S.

Dear Mr. Gatlin:

By letter dated July 24, 1998, the utility was informed it needed to refile its application for transfer in accordance with Section 367.071(1), Florida Statutes, and Rule 25-30.037(2), Florida Administrative Code. An application package was enclosed with that letter. As of today's date, Commission records do not indicate a response has been received. Since the transfer was intended to occur on or before June 30, 1998, it is important that this matter be resolved as soon as possible.

Attached is an updated list of utilities and government entities to be noticed within seven days of filing an application for transfer pursuant to Rule 25-30.037(2), Florida Administrative Code. Please ensure that the original and five copies of the completed application is filed by October 9, 1998 with the Director, Division of Records and Reporting; Florida Public Service Commission; 2540 Shumard Oak Boulevard; Tallahassee, Florida 32399-0850.
