Re: Approval of the Resale Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and NOS Communications, Inc. pursuant to Sections 251 and 252 of the Telecommunications Act of 1995

Dear Mrs. Bayo:

Pursuant to section 252(e) of the Telecommunications Act of 1996, BellSouth and NOS Communications, Inc. are submitting to the Florida Public Service Commission their negotiated agreement for the purchase of BellSouth's telecommunications services for the purpose of resale to end users by NOS Communications, Inc.

Pursuant to asclion 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated agreement between BellSouth and NOS Communications, Inc. within 90 days of its submission. The Act provides that the Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement or the public interest, convenience and necessity. Both parties aver that neither of these reasons exist as to the agreement they have negotiated and therefore, are very hopeful that the Commission shell approve their agreement.
