==NOTE=====10/19/98==4:15pm=
Mr. Anthony Harper (President) called me
10/14 and said he had Fed-Ex'd his
regulatory assessment fees (I had opened a
docket to cancel his certificate
#981059-TI). He also said that he went
ahead and paid the \$1500 fine that I was
going to recommend. So this is another
case where the company "jumped the gun"
and paid a fine before the Commission
ordered it. It will need to be returned
to him.

Let me know if you have any questions.
