RE: Castleton of Orlando, Inc.

Please be advised that Castleton of Orlando, Inc. would like to voluntarily cancel our certificate to operate as an alternative local exchange company (ALEC) which became effective October 8, 1997. We are cancelling because we have elected to set up our local service with Bell South under the Message Rate Business Service classification and will not pursue being an alternative local exchange company (ALEC).

Enclosed is our check in the amount of \$52.50 to cover the \$2.50 penalty due for 1997, and \$50 minimum regulatory assessment fee for 1998.

We have no customers as an ALEC, therefore we are not providing information regarding customer deposits, final bills and proof of notice to individual customers.

Sincerely,

Tim Duggan
