

FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

NOVEMBER 17, 1998

RE: DOCKET NO. 981253-EG - Petition for approval of extension of commercial/industrial daylight dimming research project by Florida Power & Light Company.

Issue 1: Should the Commission grant Florida Power and Light Company's (FPL) petition to extend its Commercial/Industrial Daylight Dimming Research Project through August 1999?

Recommendation: Yes. A substantial portion of the project is completed. It appears that the reasons for the delay are reasonable and beyond the company's control. Further, FPL has not requested that costs in addition to the already approved \$377,000 be recovered through the Energy Conservation Cost Recovery Clause (ECCR).
