re: North Fort Myers Utility Inc.
Extension of Wastewater Service Area

Gentlemen:

981781-SU

This serves as our objection to the ref. utilities application for extending service to the Buccaneer Estates Mobile Home Community of which we are residents.

Unfair exploitation of our community without due compensation is a result of this utilities hook-up to existing services and the Owners premature abandonment of an operating package plant.

We strongly object to this application!

Respectfully,

Wayne Walter
