Re: Docket No. 981637-WS; Application for Amendment of Certificates Nos. 236-W and 179-S to extend Service Area in St. Johns County by United Water Florida, Inc.

Dear Mr. Page:

This is to follow-up on your conversation with Ms. Billie Messer. Enclosed please find a copy of the amendment application by the above mentioned utility. The maps are not attached. The maps are large colored maps, which show the proposed and existing territory, along with the water and wastewater lines. We are not able to copy the large colored maps at the Public Service Commission. We can take the maps to a print shop, but you would have to prepay that cost. If you would like to look at the maps in Jacksonville, Mr. James L. Ade or Mr. Scott G. Schildberg at Martin, Ade, Birchfield & Mickler, P.A. can assist you. They can be reached at (904) 354-2050.

If you have any question, please call me at (850) 413-6999.

Sincerely,

Richard Redemann, P.E.
