RE: Docket No. 971065-SU - Application for rate increase in Pinellas County by Mid-County Services, Inc.

Dear Mr. Burgess:

Pursuant to the noticed meeting on November 6, 1998, between staff, counsel for Mid-County and yourself, you requested additional information pursuant to a written public records request. Specifically, you requested: (1) A copy of the Mid-County system map that was reviewed at the November 6th meeting; and, (2) Copies of all work papers generated for or by staff engineer Ed Fuchs for his role in this case.

The system map is of a large scale and the Commission does not have on-site facilities with which to produce a duplicate copy. I would be pleased to schedule a date and time to provide you with an opportunity to review the map. In the alternative, since the map was provided to Commission staff by the utility, you may wish to request a copy of the map from the utility itself.

ACK _____ As to your request regarding Mr. Fuch's work papers, this is to inform you that after a diligent
AFA _____ search, no work papers have been found which satisfy your request. I will contact you upon my return to
APP _____ the office on January 4, 1999, to discuss this further and to schedule any meetings which may be required.
