Recently mailed out my request for "updated information" from all the Companies/Utilities under the FPSC jurisdiction. Mr. Dunleavy responded with a note written on the letter advising that he was going out of business on 5-1-98.

Forwarding copy of my "updated information" for your information and further handling. A docket will need to be opened and an order issued canceling his certificate, until this is done the company will remain an "active" company in MCD and continue to owe regulatory assessment fees.

Thanking you in advance for your assistance.
