8. Provide a detailed explanation as to how the billing process will work. For example: Will the "holding company" collect all monies for payment and then allocate/distribute to different areas for payment? (garbage, water, wastewater, telephone, etc.)
9. Will there be any additional cost associated with convergent billing? If so, how will these costs be recovered?

In order to process your filing in the most expedient manner, provide by January 4, 1999. If you need additional information, please call Johnny Butts at (850) 413-6920.

Thank you for your assistance in this matter.

Sincerely,

Troy Rendell
