RE: FPC Confidential Document No. 00366-97

Florida Power Corporation (FPC) has filed a packet of information relating to the proposed buyout of the Tiger Bay Cogeneration facility and the associated Purchase Power Agreement. FPC has yet to file a formal petition and as such the confidential request was filed in an "undocketed" status. We request that the staff members be allowed to review these documents as they will ultimately be responsible for reviewing the case when filed:

Tom Ballinger
Kenneth Dudley
Mark Futrell
Andrew Maurey
David Draper

John Slemkewicz
Paul Stallcup
Bill McNulty
David Wheeler
Todd Bohrmann

With a potential hearing date as soon as March, staff's review time is crucial. In addition, staff requests permission to make one electronic copy of the information on diskette per division. ← This allows staff to run various sensitivities and "what if" analyses to test the robustness of the proposed buyout's cost-effectiveness. The diskettes will be treated in accordance with Administrative Procedures Manual Section 11.04 which specifies the handling and disposal of confidential information.
