FYI.

I got the rec back from Mike Lake on Friday afternoon sometime with a note that said to see him for comments. I left a message for him this morning and will go see him as soon as he comes in. I'll bring you the penalty and interest numbers as soon as I see him.

well, I'm not sure how you folks want to handle this. MCD has the address it has, because it's the old address of the utility. The owners sold it to the residents of the park, actually quite a while ago. We just found out about it recently. The address we put down is the address of the park management, i.e. the owner/residents. That's why we opened the docket, to get all this straight, and then cancel the certificate.

Kay, how do you suggest we handle this problem?

Fwd-by:=Kay=Flynn=====2/23/98==4:46pm==

Fwd to: Brad Martin CC: Billie Messer

Use both addresses. This would be similar to how we handle mailing lists for transfer dockets.
