RECORDS AND
REPORTING

Dear Director,

Please be aware that Charlotte County, Florida made a higher bid for this Utility and walked away for a meeting believing that they had the deal sowed up, and were very surprised to find out it was sold to Aquasource Utilities, Inc., which I believe is a Texas based Corp for what I believe to be \$1,000,000 less than the Counties bid. The Counties objective was to broaden it's service base and reduce the overall cost for all it's customers. The State of Florida should investigate this suspicious, and possibly illegal transaction to the fullest, in the best interest of the residents in this area. Our rates at this time are extremely high about \$1000/yr for a family of two. Our best bet is Aquasource will almost surely will ask for a further increase as soon as they are in control, so please let's not let this go thru without a thorough investigation by the State of Florida for it's Citizens.

Sincerely Yours,

John J. Murphy
