Re: Southern Telemanagement Group, Inc.

Dear Sir/Madam:

Enclosed please find one original and six (6) copies of Southern Telemanagement Group, Inc.'s Application for Authority to Provide Interexchange Telecommunications Service Within the State of Florida, along with an original and six (6) copies of OneStar Long Distance, Inc.'s proposed tariff.

Southern Telemanagement Group, Inc. was granted a Certificate to Provide Alternative Local Exchange Telecommunication Services in Docket No. 980094-TX pursuant to Order PSC-98-0438-FOF-TX effective April 18, 1998.

Southern Telemanagement Group, Inc. has sufficient financial capability to provide the requested service in the State of Florida and has sufficient financial capability to maintain the requested service and to meet its lease or ownership obligations. In support of OneStar Long Distance, Inc.'s stated financial capability, copies of its financial statements for the nine months ended September 30, 1998 are attached to its application. As a reseller, Southern Telemanagement Group, Inc. does not intend to make a capital investment to provide service in the State of Florida, however, Southern Telemanagement Group, Inc. intends to fund the provision of service through internally generated cash flow. Southern Telemanagement Group, Inc. also has the ability to borrow funds, if required, based upon its financial capabilities.

I also have enclosed a check in the amount of \$250.00 payable to the Florida Public Service Commission to cover the cost of filing these documents.

Check received with filing and
