To guarantee the payment of any and all indebtedness for water, sewer, and/or gas service which may be or become due to the Company by said consumer. Consumer agrees that such part thereof may be applied in discharge of any indebtedness of the consumer to the Company whatsoever and that the Company may use such deposit as if the Company were the absolute owner thereof. Upon discontinuance of service covered by this deposit, and the presentation of this receipt and proper identification the Company agrees to refund to the consumer the deposit less any amounts then due the Company.

Among other rules and regulations, the customer agrees that the duly authorized agents of the Company shall have access at all reasonable hours to the premises of the Consumer for the purpose of installing, maintaining and inspecting or removing Company's property, reading meters and other purposes incident to performance under or termination of the Company's agreement with the Consumer, and in such performance shall not be liable for trespass.

This shall not preclude the Company from discontinuing for non-payment the amount covered by this deposit regardless of the sufficiency of said deposit to cover such indebtedness for such service.

The customer further agrees that all bills for water, sewer, and/or gas charges will be paid within twenty days of mailing bills and if not so paid the Company will have the right to disconnect service and charge a fee for reconnecting.

The Company hereby acknowledges the receipt of the above amounts and accepts same as liquidated damages for connecting to the mains of the Water and/or Sewer System by the herein named payee at the above stated location.

It is further understood and agreed that the sale of water and/or gas to the consumer occurs at the meter and the Company has no responsibility relative to service after said water and/or gas reaches the consumer's side of meter.

By the signing of this agreement, the customer recognizes and agrees to abide by all existing rules and regulations of the Company, and any amendments thereto, copies of said rules and regulations and amendments thereto available for inspection at the utility office.
