RE: **Docket No. 980670-WS**  
Investigation of Possible Overearnings by Sanlando Utilities Corporation in  
Seminole County.

Dear Ms. Sweeney:

This letter is to follow-up on our telephone conversation this morning.

As we have recently discussed, the former Sanlando Utilities Corporation office is in the process of being consolidated with the Utilities Inc. of Florida office in Altamonte Springs. In conjunction with that move, some of the Sanlando records have been boxed in preparation for shipping to our Northbrook office. In my previous discussion with you and Denise Vandiver, I sensed a level of frustration that our office consolidation was going to be an inconvenience for you and your staff. In an effort to be as accommodating to you as we possibly can, I have instructed our Florida office staff to discontinue packing Sanlando documents for transfer to Northbrook.
